A MESSAGE FROM THE EXECUTIVE DIRECTOR

Dona Pierce

I am pleased to report Oasis House's prosperity in 2022 was entirely due to the extraordinary generosity of our donors, event sponsors, volunteers, and partners.

At Oasis House, the heart of what we do as a community, each and every day, is to align ourselves with female survivors. We watch as they are healed, empowered, and restored from the trauma of human trafficking. I am inspired by our team as they dream big dreams and make incredible things happen to help so many women and families. This outpouring of love leads to resilience and transformation, despite the many challenges our survivors face time and time again.

In 2022, we were honored to host the first annual Southwest Ohio Human Trafficking Conference. It connected professional stakeholders, demonstrated red flags, explained facts over myths, and included sound tips on how to prevent human trafficking. In addition, we were able to host our annual golf outing at Pipestone Golf Club, and the Traffick Jam musical festival held once again at the Hidden Valley Orchards. Both offered fun-filled days and resulted in valuable resources to help continue to provide specialized services. We were delighted even further with fundraisers held on our behalf by many of our other dedicated supporters.

Some of our essential services expanded as well, including residential safe housing, advocacy, case management, mentorship, spiritual and educational classes, a survivor-led support group, street outreach, cyber outreach, human trafficking education, and awareness presentations held around the community.

As a nonprofit organization, we rely on our volunteers to help keep us operational. Last year alone, over 1,800 hours of service, by more than 500 volunteers, kept us on mission. We could not help heal, empower and restore survivors without them. Whether they provide mentorship, teach the art of making chicken soup, play a musical instrument, paint a house, or clean out gutters; we call them our "seed planters." They may not be there for the harvest, so to speak, but they bring the power and glory of God to transform the lives of the Women of Oasis House!

On behalf of the women we serve, our staff, and the board of directors, I would like to thank our community of helpers for joining the team and making Oasis House the strong organization it is today.

COMMUNITY LEADERSHIP

In 2022, Oasis House spearheaded the highly-anticipated First Annual Southwest Ohio Human Trafficking Conference, igniting a powerful movement towards awareness and change. Drawing in stakeholders from all corners of the state, as well as esteemed field experts, the conference provided a rare opportunity for survivors to share their invaluable perspectives with an eager audience. Teaming up with multiple businesses, organizations, and medical providers, over 190 participants learned to recognize, respond and advocate for human trafficking survivors.

PROGRAMMING

We had the incredible opportunity to offer our Women of the Round Table curriculum, taught by our dedicated staff, enthusiastic volunteers, and talented students in 2022! With over 3,000 hours of programming, we were able to reach and serve women from all corners of our community.

Our programming not only equips survivors with the life skills to overcome the trauma of human trafficking, it empowers them to make positive contributions to the community. We are inspired by the impact our programming has in their lives, and it drives us to continue this important work.

"Oasis house has helped me so much. The women here are amazing!! The love, guidance and support they have shown me throughout my journey is unmeasurable. I have grown so much since coming to the program."

EDUCATION & AWARENESS

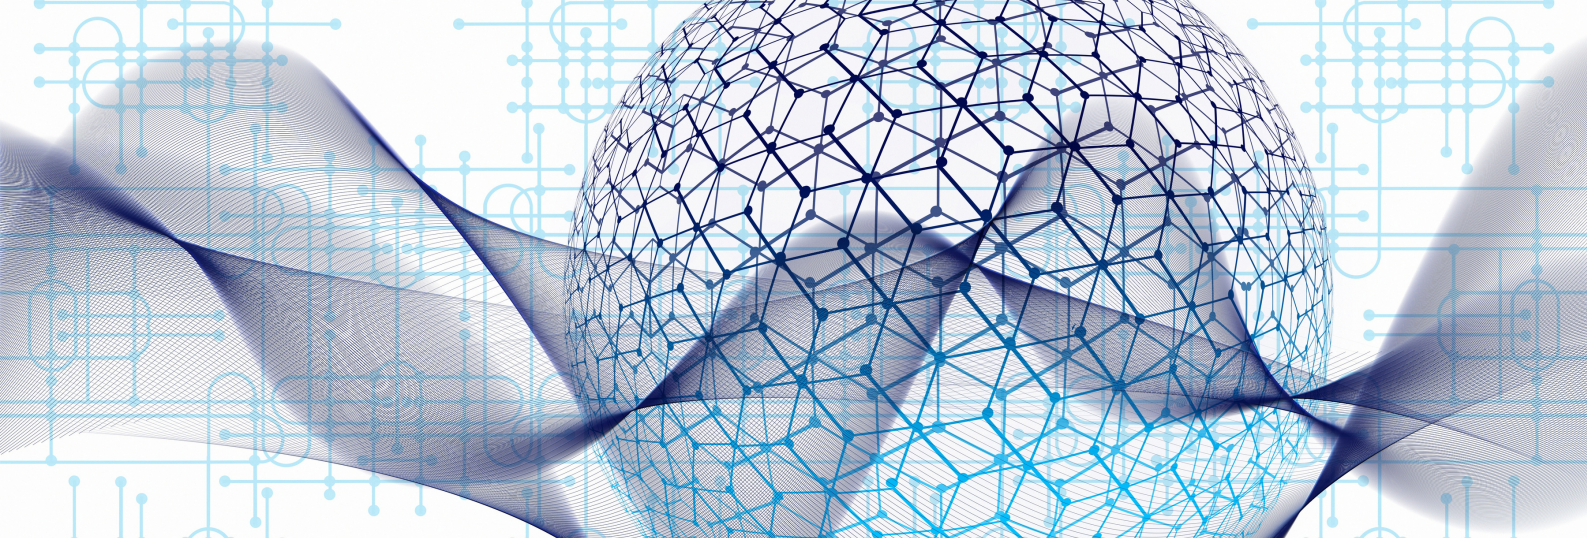

In 2022, the goal of Oasis House was to provide the public with the highest quality and most precise information available on the subject of human trafficking. BUILDING COMMUNITY

CYBER OUTREACH

Our cutting-edge cyber outreach strategy proactively connects us with a vast network of women. Instead of waiting for potential clients to come to us, we have innovated a novel approach that allows us to reach out to thousands of women in the community involved in the thriving online sex industry. In 2022 alone, our pioneering technique enabled us to establish contact with an impressive 2,940 women online.

"When Oasis contacted me on-line and offered help; it was like a divine intervention, it came at the exact right time, I really needed it." ~Survivor

STREET OUTREACH

In 2022, we had the privilege of serving 101 women during our street outreach efforts. Our dedicated teams venture out into the community at various times each month to connect with women in the sex industry. Our aim is to provide them with resource bags containing food, personal hygiene items, socks, gloves, valuable information, and most importantly, hope. We understand the challenges that these women face and it is our heartfelt desire to extend compassion and support to each one of them.

SAFE HOUSE PROGRAM

Our safe houses are essential to many survivors. It takes time, love and treasure to keep them operational. Through gracious grants and volunteers, the following tasks were completed in 2022:

- General Maintenance
- Landscaping
- Inside Painting and Décor Update
- Yard Maintenance and Care

"Oasis House is by far the best organization I could've been introduced to...honestly wish I'd known about it sooner. The kindness and love that it has given me has helped me find my way again...mentally, emotionally and physically...I'm forever grateful for Oasis House thank you!!"
